**Travel Agents Fall for Montauk Yacht Club
with Increased Commission, Ease of Booking and More**

Montauk, NY (August 5, 2014) – The legendary Montauk Yacht Club Resort & Marina has announced that it will begin paying higher commission rates on select shoulder season bookings and additional amenities for stays. Travel agents have a choice between two options:

- Water view rooms receive 15% commission and a complimentary bottle of Perrier Jouet for the guest.
- Resort view rooms receive 10% commission and complimentary late checkout of 1PM, and 20% off food & beverage

These enhanced agent opportunities are available for weekday stays, Sunday through Thursday, September until November 23, 2014, based on availability and black-out dates.

“At Montauk Yacht Club, we offer a simple booking process and a solid reputation,” states Lloyd Van Horn, General Manager. “Savvy agents know that the shoulder season is the time to get the most bang for your buck, when visiting the Hamptons. Smaller crowds and just as much to do and see.”

In addition, Montauk Yacht Club offers a midweek, travel agent familiarization rate for agents who would like to visit the resort, have a thorough site inspection and stay overnight. The Sunday-Thursday rates are \$189 in September, \$149 in October and \$99 in November.

Agents interested in taking advantage of the enhanced booking opportunities and/or the FAM rate can call 631.668.3100 and speak with a resort reservations specialist.
