BRING THE LOOK HOME FROM ...

MONTAUK

You'll fall in love with Montauk Yacht Club faster than you can tie a nautical knot. Bold stripes, wicker, and whitewashed walls point to classic Long Island style

IN A TOWN WHERE BOATING AND FISHING are revered, this historic 107-room resort has real nautical cred. With Lake Montauk views straight out onto a marina humming with sleek catamarans and stately tall ships, the lobby is all-American, in navy blue and white with pops of red. Beautiful mother-of-pearl chandeliers hang from the wooden ceiling, and cool vintage surfboards lean against crisp white walls.

The nautical theme continues in the unfussy guest rooms and 23 cottages, with

simple blue carpeting, white cotton linens, and artwork of intricate sailor's knots on the walls. Seemingly every bookshelf and end table around the resort is festooned with nostalgic black-and-white photos from its 1920s clubhouse days, when names like Astor, Morgan, and Vanderbilt (who were among the club's founding members) were commonplace.

Watching sailboats go by is the perfect afternoon entertainment from a chaise on your private, open-air wood deck, and the

view of Lake Montauk's sandy beach is equally stunning from a wicker stool at the Barracuda Bar. It's the sweet spot for enjoying the signature margarita, La Playa Fresca—house-made watermelon-infused tequila, St. Germain, and fresh-squeezed lime juice—while chatting up the lively bartenders and boisterous boat captains. Back at home, add some of the club's seafaring style to your decor with these nine products. Rates start at \$149; 888/692-8668 or montaukyachtclub.com.
